

Covid-19 statement

We take Covid-19 very seriously and are committed to the health and safety of our customers, workers and our community. This is a time of uncertainty when conditions and regulations are in constant flux. Covid-19 is a dynamic and evolving situation, we expect change at the local, county and state level and will respond to these changes in a way that prioritizes everyone's well-being.

One Big Man Guidelines:

Every morning, management asks every employee how they feel and take their temperature.

Management provides employees with masks, gloves, hand-sanitizer and hand-washing-station.

Our crews follow physical distancing rules and will notify the client when it is not possible.

We clean and disinfect "high-touch" areas on our vehicles, equipment and office daily.

We rotate our vehicles and let them rest for at least 24 hours between moves.

Employees who don't feel well, are encouraged to stay home and self-isolate – at full pay.

Client Guidelines:

Please wear a face-covering, keep your home well ventilated and stay six feet apart from the crew.

Please inform management if you have been exposed to or someone with Covid-19, travelled internationally in the past 14 days or generally not feel well.

We will waive any fees if you need to cancel and reschedule.

It should be noted that moving activities are not without risk. Our employees and clients may be exposed to known and unknown hazards. These guidelines are established to minimize the chance of exposure to Covid-19.

Best Wishes and Health,

Your OBM Team
